

AUDITORS (STUDENTS)

A student may enroll in a class as an auditor; however full tuition is paid to audit, while no grade or credit for the course is received. The student's transcript will be annotated with a grade of AUD. Students applying for an audit elective must complete the appropriate form(s) on the Office of the Registrar page (<https://www.pace.edu/registrar/forms/#r>) within the first two weeks of a regular semester and within the first week of a summer session.
