

SECURITY

Pace University Safety and Security works diligently to provide a safe and secure environment for our students so that their pursuit of higher education can be their top priority. The University provides a 24 hours a day, 365 day per year security presence on each campus. All security personnel are professionally trained and strive to create and maintain a safe campus environment for students, faculty, staff and visitors. Safety protocols include, but are not limited to; security patrols, card access readers, closed circuit cameras, emergency call boxes, security escorts and the PaceSafe app. All members of the Safety and Security team are committed to our students' success and take great pride in their accomplishments while at pace and upon graduation.
