

# SCHOOL-CLINICAL CHILD PSYCHOLOGY, PSYD

## Doctoral Program Information

Prior to receiving the doctoral degree in school-clinical child psychology, students must first complete a master's degree in school psychology or have been awarded state or national psychology certification. Sixty-nine hours of the first three years of study in the doctoral program generally correspond to the M.S. Ed. in School Psychology at Pace University. Applicants with graduate credits from other institutions may enter the program but this prior work will be evaluated for transfer credit on a course-by-course basis only after acceptance into the doctoral program.

Course	Title	Credits
<b>Year 1</b>		
<b>Fall</b>		
At the end of the first year students are required to take a Qualifying Examination which they must pass in order to proceed to the second year of study. Students are permitted to take this examination a maximum of two times. Students who have received transfer credit for first-year courses are required to pass the Qualifying Examination for corresponding courses.		
PSY 501	Introduction to School-Clinical Child Psychology I: Professional Attitudes and Behavior	0
PSY 509A	Practicum in Psychological Services: Psychotherapy	0
PSY 704	Advanced Developmental Psychology	3

<b>Year 2</b>		
<b>Fall</b>		
During this second year students must review their academic progress with program advisors. At the end of this second year, upon completion of at least 42 graduate hours in the program, they are eligible to apply for the New York State School Psychology Internship Certificate. Candidates who wish to acquire school psychology certification in states other than New York should consult with program advisors. New Jersey, for example, requires a course in developmental disabilities.
