HEALTH CARE POLICY AND MANAGEMENT CERTIFICATE

Campus: NYC, Westchester, Online

The 15-credit advanced certificate in Healthcare Policy and Management is part of the Public Administration Department and it is designed to equip current and future healthcare managers withadvanced management skills needed to address the most pressing and complex healthcare administrationissues.

The certificate can be completed in one year (two semesters for full-time students and three semesters for part-time students). Students can apply all the certificate credits toward a Master's in Public Administration (MPA) program.
