

ENVIRONMENTAL SCIENCE, MS

Campus: Westchester

This 33-35 credit program in Environmental Science, including its required thesis, can be completed on either a full-time or part-time basis, with most classes held in the afternoon or evening to accommodate working professionals. Curriculum specialization can be designed in various areas, including toxicology, aquatic ecology, conservation biology, geographical information, and surveillance systems.

Scholarship opportunities and/or competitive graduate assistantships are available for certain candidates.

Prerequisites

Admission requirements include the following undergraduate course: one year of General Chemistry, one semester of Organic Chemistry, and one year of General Biology. College-level Physics and Calculus are recommended but not required.
