

CENTER FOR SUSTAINABLE BUSINESS

The Lubin Center for Sustainable Business (CSB)

Enterprises of all sizes and sectors globally are striving to operate as Sustainable Businesses, creating long-term value by advancing Environmental, Social and Governance (ESG) stewardship, business purpose and profitability hand-in-hand.

As a means of preparing students, alumni, the community, and other key stakeholders for a job market of the future and providing responsible businesses with workers and leaders who understand that advancing ESG principles and profitability goes hand-in-hand, the Pace University Lubin School of Business launched the Lubin CSB. Steven Mezzio, Ph.D. CPA, FSA serves as Executive Director of the Lubin CSB. Contact: smezzio@pace.edu

The Lubin CSB Mission

The Lubin CSB engages its stakeholders with a networked *knowledge-hub* and *learning-platform* that explores, teaches, and champions sustainable businesses that advance a responsible and inclusive business-purpose that strives to simultaneously achieve environmental stewardship, social responsibility, institutional governance and sustainable profits.

The Lubin CSB Strategy

Informed by a learning, research, and service platform-based mission, the Lubin CSB strategy is to equip, enable, and empower students, alumni, faculty, influencers, businesses, and communities to help them understand, influence, transform, and lead this global sustainable-business movement.

Headquartered steps from Wall Street in the Financial District on the New York City campus of Pace University, the Lubin CSB carries out this strategy by co-creating, co-delivering, and facilitating ESG-related academic degree programs, non-degree certificate and badge programs, continuing professional education, executive education, research, public events, job-skills training, and community service.
