

# COMPUTER SCIENCE, MS

---

**Campus:** NYC, Westchester, Online

The Computer Science department of the Seidenberg School reviewed and revised the Master of Science in Computer Science in Fall 2011. Since then, the department has been offering a 30-credit program that has been both strengthened and updated.

The new rigorous curriculum is built on a core of algorithms and computing theory, Internet and web computing, grid and cloud computing, and database systems.

Whether you are looking to advance your career or change focus and keep ahead of the latest technologies, this master's program is your best choice.

Students can choose to complete the Master of Science in Computer Science program online (<https://online.pace.edu/graduate-programs/ms-in-computer-science/>) or opt for an on-campus experience.
