

# UPPER DIVISION LEVEL (SOPHOMORE, JUNIOR, AND SENIOR STANDING REQUIRED) PRE-REQUISITES FOR UNDERGRADUATE COURSES

---

A student's classification determines the division level of courses they are permitted to register for without approval. Courses that require Sophomore, Junior, and Senior standing must have those academic standings to register for those classes. Please refer to Student Classification page (<https://catalog.pace.edu/undergraduate/academic/academic-policies-general-regulations/registration-policies/student-classification/>) to determine your student classification.

Course numbers determine registration eligibility. These are the following guidelines for course registration:

- Freshman can register for courses numbered 000-199.
- Sophomore students can register for courses numbered 200-299.
- Juniors can register for courses numbered 300-399.
- Seniors are allowed to register for courses numbered 400-499.

Students who wish to register for Upper Division courses are required to complete the Registration Action form which can be found on Registrar Form webpage (<https://www.pace.edu/registrar/forms/>). The form will be forwarded to their advisor on their home campus for approval.
