

# HONORS COLLEGE (HON)

---

## HON 393 Honors Internship (0 credits)

Students from all majors are part of the Pforzheimer Honors College, and therefore internships will be pursued in a wide range of fields. In order for a student to earn Honor credit for an internship, s/he must place the experiential learning into the context of the course of study and the Honors course completed if they are relevant to the internship by writing a paper of 8-10 pages submitted to the Dean of the Honors College.

**Course Rotation:** Fall

## HON 499 Seminar in Research Methods (1 credits)

This course is designed to assist Honors juniors and seniors with the formulation of a thesis project by preparing them in the research methods needed to successfully produce a completed project. Students will be expected to produce a thesis proposal as well as a significant portion of the project itself. A grade of Pass/Fail will be given in the course. NY: Fall.

**Prerequisites:** Junior or Senior standing in Honors College.
