

LIENHARD STUDENT HANDBOOK

To all students and faculty of the Lienhard School of Nursing:

Information concerning academic standards and the probation and dismissal policies (including the procedure for appealing a dismissal) may be found in Lienhard School of Nursing Student Handbooks. To ensure that you have the most up-to-date handbook and information concerning these issues, please contact your academic advisor or the director of your program.

To view the most current student handbook for each program, visit the For Current Students (<https://www.pace.edu/college-health-professions/departments/nursing/academic-resources/current-students/>) resource page.

Full-time/Part-time Study

Students may progress through the programs on a full-time or part-time basis. Part-time students in the RN-4 program may take up to six years to complete the program.

Clinical Laboratory

Nursing students must adhere to the attendance policy for clinical laboratory experiences. It is the student's responsibility to notify the clinical faculty member if he or she is absent. Absences are subject to the LSN Clinical Attendance Policy (see LSN Student Handbook (<https://www.pace.edu/college-health-professions/departments/nursing/academic-resources/current-students/>)). Transportation to all off-campus learning experiences is the responsibility of the student.
