

PSYCHOLOGY/MENTAL HEALTH COUNSELING, BA/MS

In this accelerated six-year program, students take four to six MHC 600-level graduate courses (12-18 credits) during their senior year. These courses count as undergraduate electives. Detail of the undergraduate curriculum can be found in the undergraduate section of this catalog. For the graduate curriculum, please see the Graduate Viewbook (<https://catalog.pace.edu/graduate/schools/dyson-college-arts-sciences/>) of the Dyson College of Arts and Sciences.

Total BA and MS Credits: 162-168

Total Credit Hours: 162-168
