### Total Credits

12

---

**Notes:**

- The requirements listed above are an overview of the Sustainability Minor program at NYC. For the most up-to-date and accurate information, please refer to the official university handbook or academic advising office.

- Course codes and titles may be subject to change, so it is important to verify with the university for the most current offerings.

- Prerequisites and co-requisites may be required for some courses, so be sure to check the course descriptions for any necessary prerequisites.

- The total number of credits required for the minor may vary slightly depending on the specific requirements of the course selection.

- Additional elective options may be available beyond those listed, so students should consult with their academic advisor to explore all possible course combinations.

- This is intended to be an overview of the minor requirements and is not exhaustive. Students should consult with their academic advisor for personalized guidance and advice.
