

# INFORMATION SYSTEMS, BBA

Campus: NYC, Westchester

## Major Completion Summary

| Requirement                  | Credits    |
|------------------------------|------------|
| University Core Requirements | 53         |
| Major Requirements           | 53         |
| Open Electives               | 22         |
| <b>Total Credits</b>         | <b>128</b> |

## University Core Requirements (53 Credits)

See complete University Core (<http://catalog.pace.edu/undergraduate/university-core-curriculum/>) requirements.

Includes several of the major-required courses listed below:

| Code                                                                       | Title                                   | Credits   |
|----------------------------------------------------------------------------|-----------------------------------------|-----------|
| <b>Foundation Requirements</b>                                             |                                         |           |
| MAT 104                                                                    | Finite Mathematics                      | 3         |
| CIS 101                                                                    | Introduction to Computing               | 3         |
| or TS 105                                                                  | Computers for Human Empowerment         |           |
| <b>Lubin Foundation Requirement in Quantitative Reasoning <sup>1</sup></b> |                                         |           |
| ECO 105                                                                    | Principles of Economics: Macroeconomics | 3         |
| ECO 106                                                                    | Principles of Economics: Microeconomics | 3         |
| MAT 111                                                                    | Elementary Calculus I                   | 3         |
| MAT 117                                                                    | Elementary Statistics <sup>2</sup>      | 4         |
| <b>Total Credits</b>                                                       |                                         | <b>19</b> |

<sup>1</sup> These four courses are applied to the University Core Areas of Knowledge (AOK) requirement as an In-depth Sequence in Quantitative Reasoning. Therefore, Lubin majors are required to complete only one course from each of the four Areas of Knowledge. See Lubin Foundation Requirement (<http://catalog.pace.edu/undergraduate/schools/lubin-school-business/university-core-curriculum-requirements-lubin-majors/#business-foundation>) in Quantitative Reasoning for more details.

<sup>2</sup> MAT 117 Elementary Statistics satisfies one course in AOK- HSN (AOK5)

## Major Requirements (53 Credits)

| Code                              | Title                                  | Credits |
|-----------------------------------|----------------------------------------|---------|
| <b>Business Core <sup>1</sup></b> |                                        |         |
| BUS 101                           | Contemporary Business Practice         | 3       |
| ACC 203                           | Financial Accounting                   | 4       |
| ACC 204                           | Managerial Accounting                  | 4       |
| FIN 260                           | Financial Management                   | 3       |
| LAW 150                           | Business Law I                         | 3       |
| MAR 201                           | Principles of Marketing                | 3       |
| MGT 150                           | Managerial and Organizational Concepts | 3       |
| MGT 226                           | Business Analytics                     | 3       |
| MGT 490                           | Business Strategy                      | 3       |
| <b>Major Requirements</b>         |                                        |         |
| CIS 101                           | Introduction to Computing <sup>2</sup> | (3)     |
| CIT 211                           | Introduction to Computer Systems       | 4       |
| CIT 221                           | Global Networking Technology           | 4       |
| CIT 241                           | Database Management                    | 4       |
| CIT 312                           | Introduction to Programming I          | 4       |
| CIT 342                           | Systems Analysis and Design            | 4       |

CIT 300 or 400 level elective 4

**Total Credits** 53

<sup>1</sup> See Business Core Requirements (<http://catalog.pace.edu/undergraduate/schools/lubin-school-business/university-core-curriculum-requirements-lubin-majors/>) for more details.

<sup>2</sup> Applied toward the University Core.

## Open Electives (22 Credits)

| Code                           | Title | Credits |
|--------------------------------|-------|---------|
| <b>Open Electives</b>          |       |         |
| Select 22 credits <sup>1</sup> |       | 22      |

<sup>1</sup> Includes UNV 101 First-Year Seminar: Introduction to University Community (1 credit) for all first-year students
