

STUDENT ORGANIZATIONS

Future Educators Association

FEA is an organization whose purpose is to unite all students who are interested in education as a profession. Our objective is to assure that those students interested in education can belong to an organization that is tailored to the profession by providing beneficial workshops like Project Learning Tree, and guest speakers discussing up-to-date educational information, skills, and strategies that are necessary to become a successful educator. The FEA is open to undergraduate students on both campuses.

Pi Lambda Theta

Pi Lambda Theta (PLT) is an International Honor and Professional Association in Education. Its purpose is to recognize individuals with superior scholastic achievement and a high potential for professional leadership and to stimulate independent thinking educators who can ask critical questions to improve educational decision making. Members of PLT must have a minimum QPA of 3.5 and are either seniors or graduate students obtaining a degree in education.

KAPPA DELTA PI

KDP is an international honor society dedicated to building a community of educators committed to scholarship and excellence in education. Members value, and have pledged to cultivate and recognize, scholarly work and excellent practice in their locales. Pace University's chapter seeks to make a difference in our immediate neighborhood as members contribute their time and talents to programs they develop together. Through planning and directing educational and fundraising events, members experience professional growth and explore what it means to be a leader.
